Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? I'm on this crazy roller-coaster ride like the rest of us!

It's wonderful to have you featuring with us, did you enjoy the shoot? I always enjoy shooting with Elite! It's been a good few years now.

Where are you from? Tell us a little about yourself: I'm from all over the place! Create a bit of mystery...

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? I've been throwing myself into my artwork and eating way too many takeaways.

If you could shoot with any model in the world, who would it be and why? Peachhes! She is absolutely beautiful! That's why!

What would you TV series would you most recommend to binge watch? Ghost Adventures, but the older series.

Tell us a random fact about yourself: I collect anything mushroom, I have around 20 in my apartment.

What has made you smile the most during this pandemic? Seeing people come together, that's a wholesome feeling.

THINKING OF POSITIVES:
WHAT ARE YOU MUST LOOKING
FORWARD TO WHEN IT'S
SAFE TO GET BACK TO SOME
NORMALITY? SEEING MY
FRIENDS AND FAMILY! I'M
ALSO LOOKING FORWARD TO
JUST BEING ABLE TO DO THE
MOST SIMPLE THINGS THAT I
ONCE TOOK FOR GRANTED.

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? KEEP SMILING AND DO THE THINGS THAT MAKE YOU FEEL GOOD INSIDE.

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? Heya! No problem at all, the world has gone mad! I've been OK, trying to keep occupied!

It's wonderful to have you featuring with us, did you enjoy the shoot? Thank you so much! Yes I loved it, I've always enjoyed shooting with you guys! Prancing around in my pants is always fun too hehe.

Where are you from? Tell us a little about yourself: I'm from North London, I'm 28 and I'm a full time model and performer with an obsession with plants and reptiles ha!

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? Oh it's so crazy to think that everything just changed over night! I've been inside since the 10th of March now, so definitely I'm having to start getting creative to pass the time! I've been doing a lot of reading and spending time with my family, but also have not become addicted to the sims... Don't judge me!

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality? I'm most looking forward to just seeing people again! I miss interacting and hugging and being close with people and obviously working again! Modelling and performing is my dream and when I can't I feel lost!

If you could shoot with any model in the world, who would it be and why? Eeh, there's so many beautiful girls in the world! But I would have to say teaming up finally with Rebecca Crow would be the ultimate! We may have something planned for after lockdown... But I didn't say anything hehe!

What would you TV series would you most recommend to binge watch? Oh my god SO many good things that I've been about 200 years late to the party on! Killing Eve and Bodyguard are so good and I binged Killing Eve in about 4 days!

What has made you smile the most during this pandemic? To be honest watching how close and caring everyone has become. Everyone seems to be looking out for each other and getting more creative and forming really close bonds across the world and I love that!

**TELL US A RANDOM
FACT ABOUT YOURSELF:
I CAN PICK UP THINGS
WITH MY FEET?! THAT'S
DEFINITELY RANDOM.**

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? I LOVE BEING HERE! THANK YOU! SOME PARTING WORDS FROM ME FOR PEOPLE FEELING OVERWHELMED IN THIS TIME... IT'S OK NOT TO FEEL INSPIRED OR MOTIVATED! WE'RE GOING THROUGH SOMETHING NONE OF US HAVE EXPERIENCED AND IT'S OK TO JUST TAKE CARE OF YOURSELF AND BE KIND TO YOUR MIND, AND WE WILL GET THROUGH THIS! Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? No problem! I am great thank you.

It's wonderful to have you featuring with us, did you enjoy the shoot? I did massively! Dark Moon was the best! He's definitely up there as one of my favourites. I'm dying to shoot with him again!

TELL US A RANDOM FACT ABOUT YOURSELF: I AM PARTIALLY DEAF, I MEAN THAT'S NOT INTERESTING RIGHT, BUT SO MANY PEOPLE DON'T BELIEVE ME HAHA.

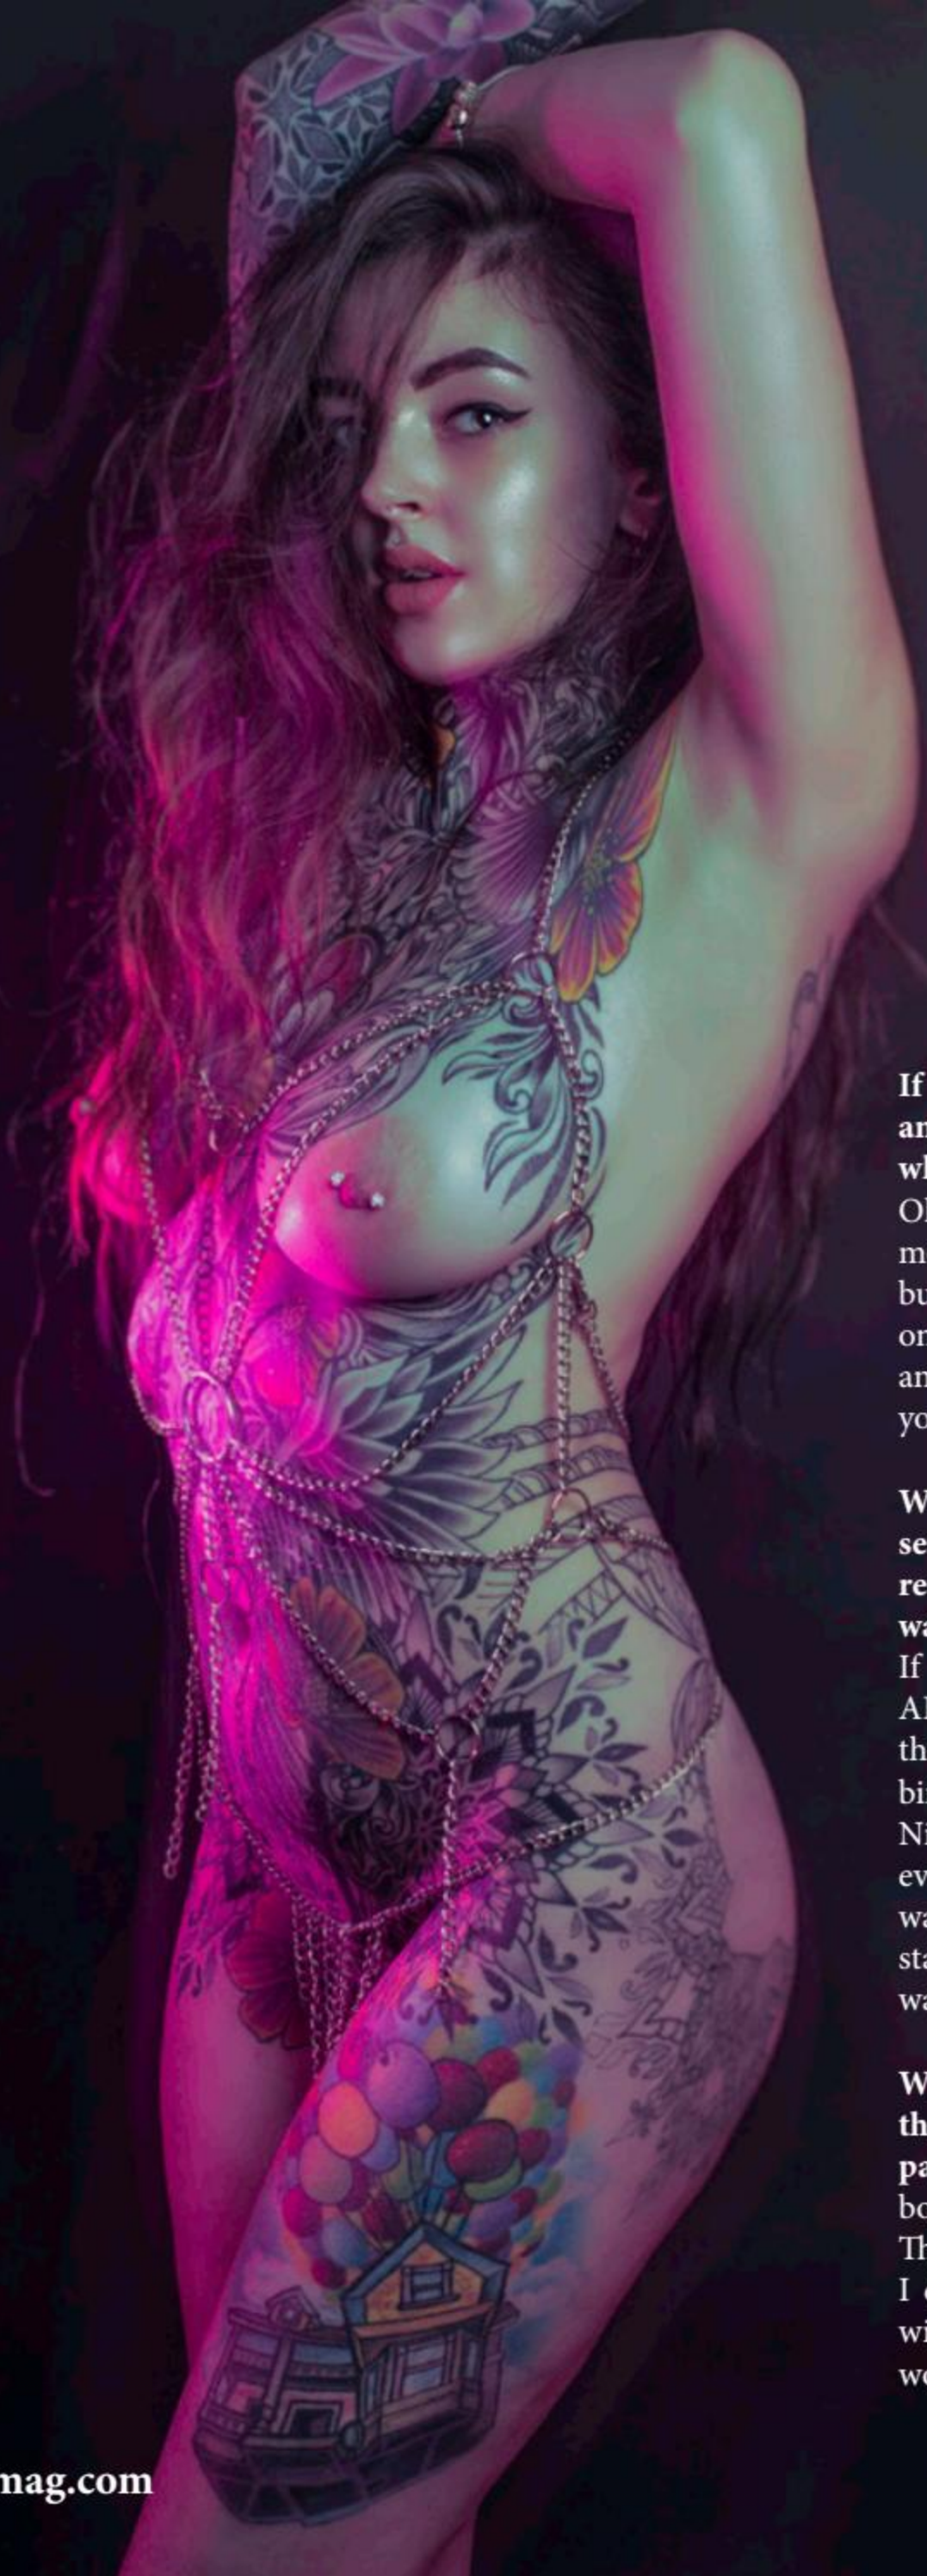

Photographer: Dark Moon Media

Where are you from? Tell us a little about yourself: I am from a small village in Derbyshire that no one seems to know haha, but that's the best right? I'm surrounded by the country! I have a four year old son, a dog and two cats.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? I've actually been working myself! Also doing house renovations and teaching myself how to do nails for a possible business next year. Fingers crossed.

Thinking of positives: what are you must looking forward to when it's safe to get back to some normality? Being able to go back to the Peak District. I like to go on long walks there. Maybe get some more tattoos ey! Hopefully working with some new photographers too!

If you could shoot with any model in the world, who would it be and why? Oh that's difficult! I have more of a photographer bucket list than a model one! I've never shot with another model before but you never know!

What TV series would you most recommend to binge watch? I'm a Netflix addict. If you haven't watched AHS, watch it now and then again. Currently binging on Brooklyn Nine-Nine and that's great. But every year without fail I watch Friends from the start to end, I have since I was little.

What has made you smile the most during this pandemic? My son, my boyfriend and my sister. That's my trio right there. I don't know where I'd be without them. Also my work colleagues!

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? THANK YOU FOR HAVING ME! I THINK WE LIVE IN A WORLD NOW WHERE EVERYTHING WE DO IS CRITICISED AND WE'RE MADE TO NOT FEEL GOOD ENOUGH. THAT SHOULDN'T BE HAPPENING. YOU SHOULD ALL KNOW YOUR WORTH AND DO WHAT YOU WANT, FOLLOW YOUR DREAMS BECAUSE YALL ARE AMAZING.

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? It's been very very interesting, that's for sure! From traveling the world every single week with The Fuel Girls, to being completely grounded... with very little to do, it has been some adjustment!

It's wonderful to have you featuring with us, did you enjoy the shoot? Yes! I love self shooting, I've recently made my OnlyFans (onlyfans.com/onlyvon), and thought I'd be rubbish at it, BUT it turns out it's WAY easier than I realised, and have really got into it! It's been amazing having a creative outlet during lockdown. I think I might have gone totally mad without this! Haha!

Where are you from? Tell us a little about yourself: Originally an Essex girl, but lived in London for about 17 years now... and recently moved to beautiful Surrey! It's been quite the year for me, I've moved about 5 times and decided to entirely uproot my life. I've modelled and performed since I was able to (literally 17 years ago!) and used to frequent the lad's mags, like FRONT - where I had a column dedicated to sex!

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality? HOLIDAYS! However I feel like they're obsolete at this point...

If you could shoot with any model in the world, who would it be and why? It would have to be a group shoot with my fellow bits out ambassadors, @itsbeadux @simwise @missdanitteeze @aiylabeau @wildeaboutfrankii - they are all absolute queens :D

What would you TV series would you most recommend to binge watch? RU PAULS DRAG RACE - without a second thought... also POSE, so so good!

Tell us a random fact about yourself: I'm one of the oldest serving Fuel Girls and longest standing members... 14 YEARS!

What has made you smile the most during this pandemic? My absolutely gorgeous boyfriend Marc, he is an angel, and very sexy. I have had a lot of fun ;)

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? Shooting at home and making TONNES of content - alongside that writing and managing the social media for Alex Sim Wise's consultancy 'GET YOUR BITS OUT' (getyourbitsout.com). We help creators with everything from self shooting, to building their personal brand, to growing their social media presence. It's been incredible learning about the platform, and helping people out - it's been great learning something completely new! Alex has been mastering algorithms and crunching data, and we have an EPIC team of ambassadors working alongside us, it's been so lovely meeting new girls and building a little network!

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? I HOPE EVERYONE IS STAYING SAFE, IT'S REALLY TOUGH FOR LOT'S OF US RIGHT NOW, PARTICULARLY THOSE WITH MENTAL HEALTH ISSUES. ENSURE YOU'RE TALKING TO PEOPLE, AND MAKING SURE TO BE AS HEALTHY AS YOU CAN - KNOW THAT IT WILL BE OVER SOON AND IT'S OK TO HAVE DAYS WHERE YOU FEEL LIKE EVERYTHING SUCKS! I WRITE A LOT ABOUT MENTAL HEALTH, AND STAYING SANE AS A CREATOR RIGHT NOW, SO DO CHECK OUT SOME OF MY BLOGS IF YOU EVER NEED ANY INSPO :)

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? I've been doing really well, thank you! Things have certainly changed a lot recently and I'm now creating content full time. I'm staying indoors and sending nudes like Boris intended.

YOU ARE PRETTY MUCH THE VEGAN QUEEN OF BOOBS... DO YOU LIKE THIS NEW TITLE WE GIVE YOU? OBVIOUSLY, YES. IT'S THE TRUTH.

Where are you from? Tell us a little about yourself: I'm from Northamptonshire and I love living in the countryside. If I can't smell manure or have my airways attacked by tree pollen then I don't feel at home. You might know me as an alternative model, but I also model fetish and play bass for industrial band, FLEISCH.

You have made our cover for the first time, how does it make you feel to go through the whole journey with us? I'm absolutely overjoyed! In fact, though it seems like only yesterday, I recently passed the two year anniversary of the first time I shot with Elite. We always have great fun on the shoots and I'm happy to be on the cover as Elite is my favourite magazine due to the hard work and dedication of everyone involved... and also the hot girls.

What's your favourite thing about Elite? My favourite thing about Elite is that it gives alternative models a platform, and we really feel like a strong supportive community.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? Yes, it's a little deflating for a lot of us. I've been keeping my spirits high by focussing on content creation on Onlyfans and interacting with my subscribers now that I have the time to do so. I've had many heated discussions about Star Wars, have heard the most hilarious jokes, and received a tremendous amount of support. So to those who have been subscribing and chatting with me I'd like to say a big "thank you".

I've also been watching a lot of Netflix, eating junk and drinking corona (due to the special occasion). Is there such a thing as too much self indulgence?

It's wonderful to have you featuring with us, did you enjoy the shoot? Of course! I always have the best time, but my highlight of this shoot has to be the 'sexy Greggs' set. There is simply nothing better than covering your boobs in Belgian buns and vegan steak bakes. It's the first time my new boobs have been in Elite, so we had to make it special... Newcastle style.

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality? I was due to go on a fetish photography cruise back in April, so as soon as this is over I'll be sailing the seas! Though I might stop at a few goth clubs to party with friends first as it's long overdue.

If you could shoot with any model in the world, who would it be and why? I would absolutely love to meet and shoot with Veronika Black one day. She's one of the sweetest women I've had the pleasure to speak with and she's truly stunning. I love her passion to be a voice for animals and willingness to inform people of ethical issues. She's very admirable.

What TV series would you most recommend to binge watch? Peep Show! I've watched the entirety of it at least ten times now. It just never gets old.

Tell us a random fact about yourself: I have tongue tie.

What has made you smile the most during this pandemic? It's amazing how everyone has come together and almost become more social than before. It makes me happy to know that I have wonderful and supportive people around me. Each week I've been doing zoom calls with games and quizzes, and have even made new friends this way.

A woman with long dark hair, a nose ring, and multiple tattoos is standing in a shower. She is nude and has her hands clasped over her chest. She is looking towards the camera. The background is a grey shower wall with a showerhead visible on the right. The text is overlaid in the top right corner.

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? THANK YOU FOR READING AND FOR SUPPORTING ELITE. KEEP POSITIVE AND STAY SAFE DURING THESE UNCERTAIN TIMES.

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? I've been doing good, still doing my modelling and makeup work, these times have been weird, but I'm still trying to keep positive and making my own photoshoots at home!

WHAT TV SERIES WOULD YOU MOST RECOMMEND TO BINGE WATCH? KILLING EVE AND THE STRANGER!

It's wonderful to have you featuring with us, did you enjoy the shoot? Thank you, I loved it and hated it! The humidity in Bali was insane! BUT the sweat was worth it for the shots, and let's face it, this place is beautiful, and I had never been there before, such a treat.

Where are you from? Tell us a little about yourself: I'm originally from a little village in Leicestershire. I now live a little bit more south, I studied Artistic Makeup and Special Effects there, while also doing modelling. I have been a model and makeup artist for over 5 years, and I love it!

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? Lockdown could be worse, I have been enjoying sprucing up my place a bit, and letting my inner geek out. I've maybe also done a little too much online shopping, oops. But I've been finding time to make some of my own shoots, which is fun! I've especially enjoyed doing some video challenges with fellow model friends.

Thinking of positives: what are you must looking forward to when it's safe to get back to some normality? Seeing friends and family! Having a big gathering and catching up with everyone properly, and to be honest just getting out the house... anywhere!

If you could shoot with any model in the world, who would it be and why? There are so many models I love, so it's hard to choose just one. Erica Fett is high up on my list, along with Lisha Blackhurst and I'm hoping to shoot with one of my forever favourites Ruby Alexia again soon(ish).

What has made you smile the most during this pandemic? Doggo cuddles, nice messages and gifts from fans, binge watching Netflix and finally allowing myself to take a break to play some games! Pew Pew.

Photographer: Joseph O'Brien

TELL US A RANDOM FACT ABOUT YOURSELF: I HAVE A THEORY THAT I AM SO PALE, I JUST REFLECT THE SUNLIGHT BACK OFF OF MYSELF AS I DON'T TAN OR BURN! THAT... OR I'M SOME KIND OF BREED OF VAMPIRE.

A woman in a red, ruffled, off-the-shoulder dress is seen from the side on a paved terrace. The terrace has a white balustrade and a white table. In the background, there are green bushes and a hill under a blue sky with light clouds. A large, red, tilted rectangular box with the word 'VAUGHN' in white, bold, sans-serif capital letters is overlaid on the upper right portion of the image.

VAUGHN

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? Hey, hey! I've not been doing too bad, thanks - keeping busy!

It's wonderful to have you featuring with us, did you enjoy the shoot? Of course I did, I always enjoy working with ya! Never have more fun shooting than I do with Elite!

Where are you from? Tell us a little about yourself: I was brought up in a very small town in Cork, Ireland and moved over to East London as a kid - went from countryside to cockney haha.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? I've been shooting a whoooooole bunch for that site that rhymes with 'Lonely Pans' and working on some performance skills to wow you all with some day.

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality? Oh that's a hard one - there are so many things I'm itching to get back to, but gigs are probably my no.1!

If you could shoot with any model in the world, who would it be and why? I couldn't pick just one if I tried! All of them.

What TV series would you most recommend to binge watch? House! I pretty much watch it on a loop, restart it again a day or two after having finished it.

What has made you smile the most during this pandemic? Online music festivals! Coming together, while staying apart, supporting different causes and having a laugh is really heartwarming.

TELL US A RANDOM FACT ABOUT YOURSELF: I CAN'T SAY THE WORD "BOWLING" PROPERLY, IT COMES OUT SUPER POSH AND I JUST CAN'T STOP IT.

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? THANKS FOR HAVING ME! HOPE YOU'RE ALL STAYING SAFE AND AS SANE AS CAN BE.

LUNA & KAYLEIGH

Hey Luna, thank you for giving us some of your time in this crazy world right now. How have you been doing? I'm good, trying to keep busy, I am missing my family and friends, but I'm good.

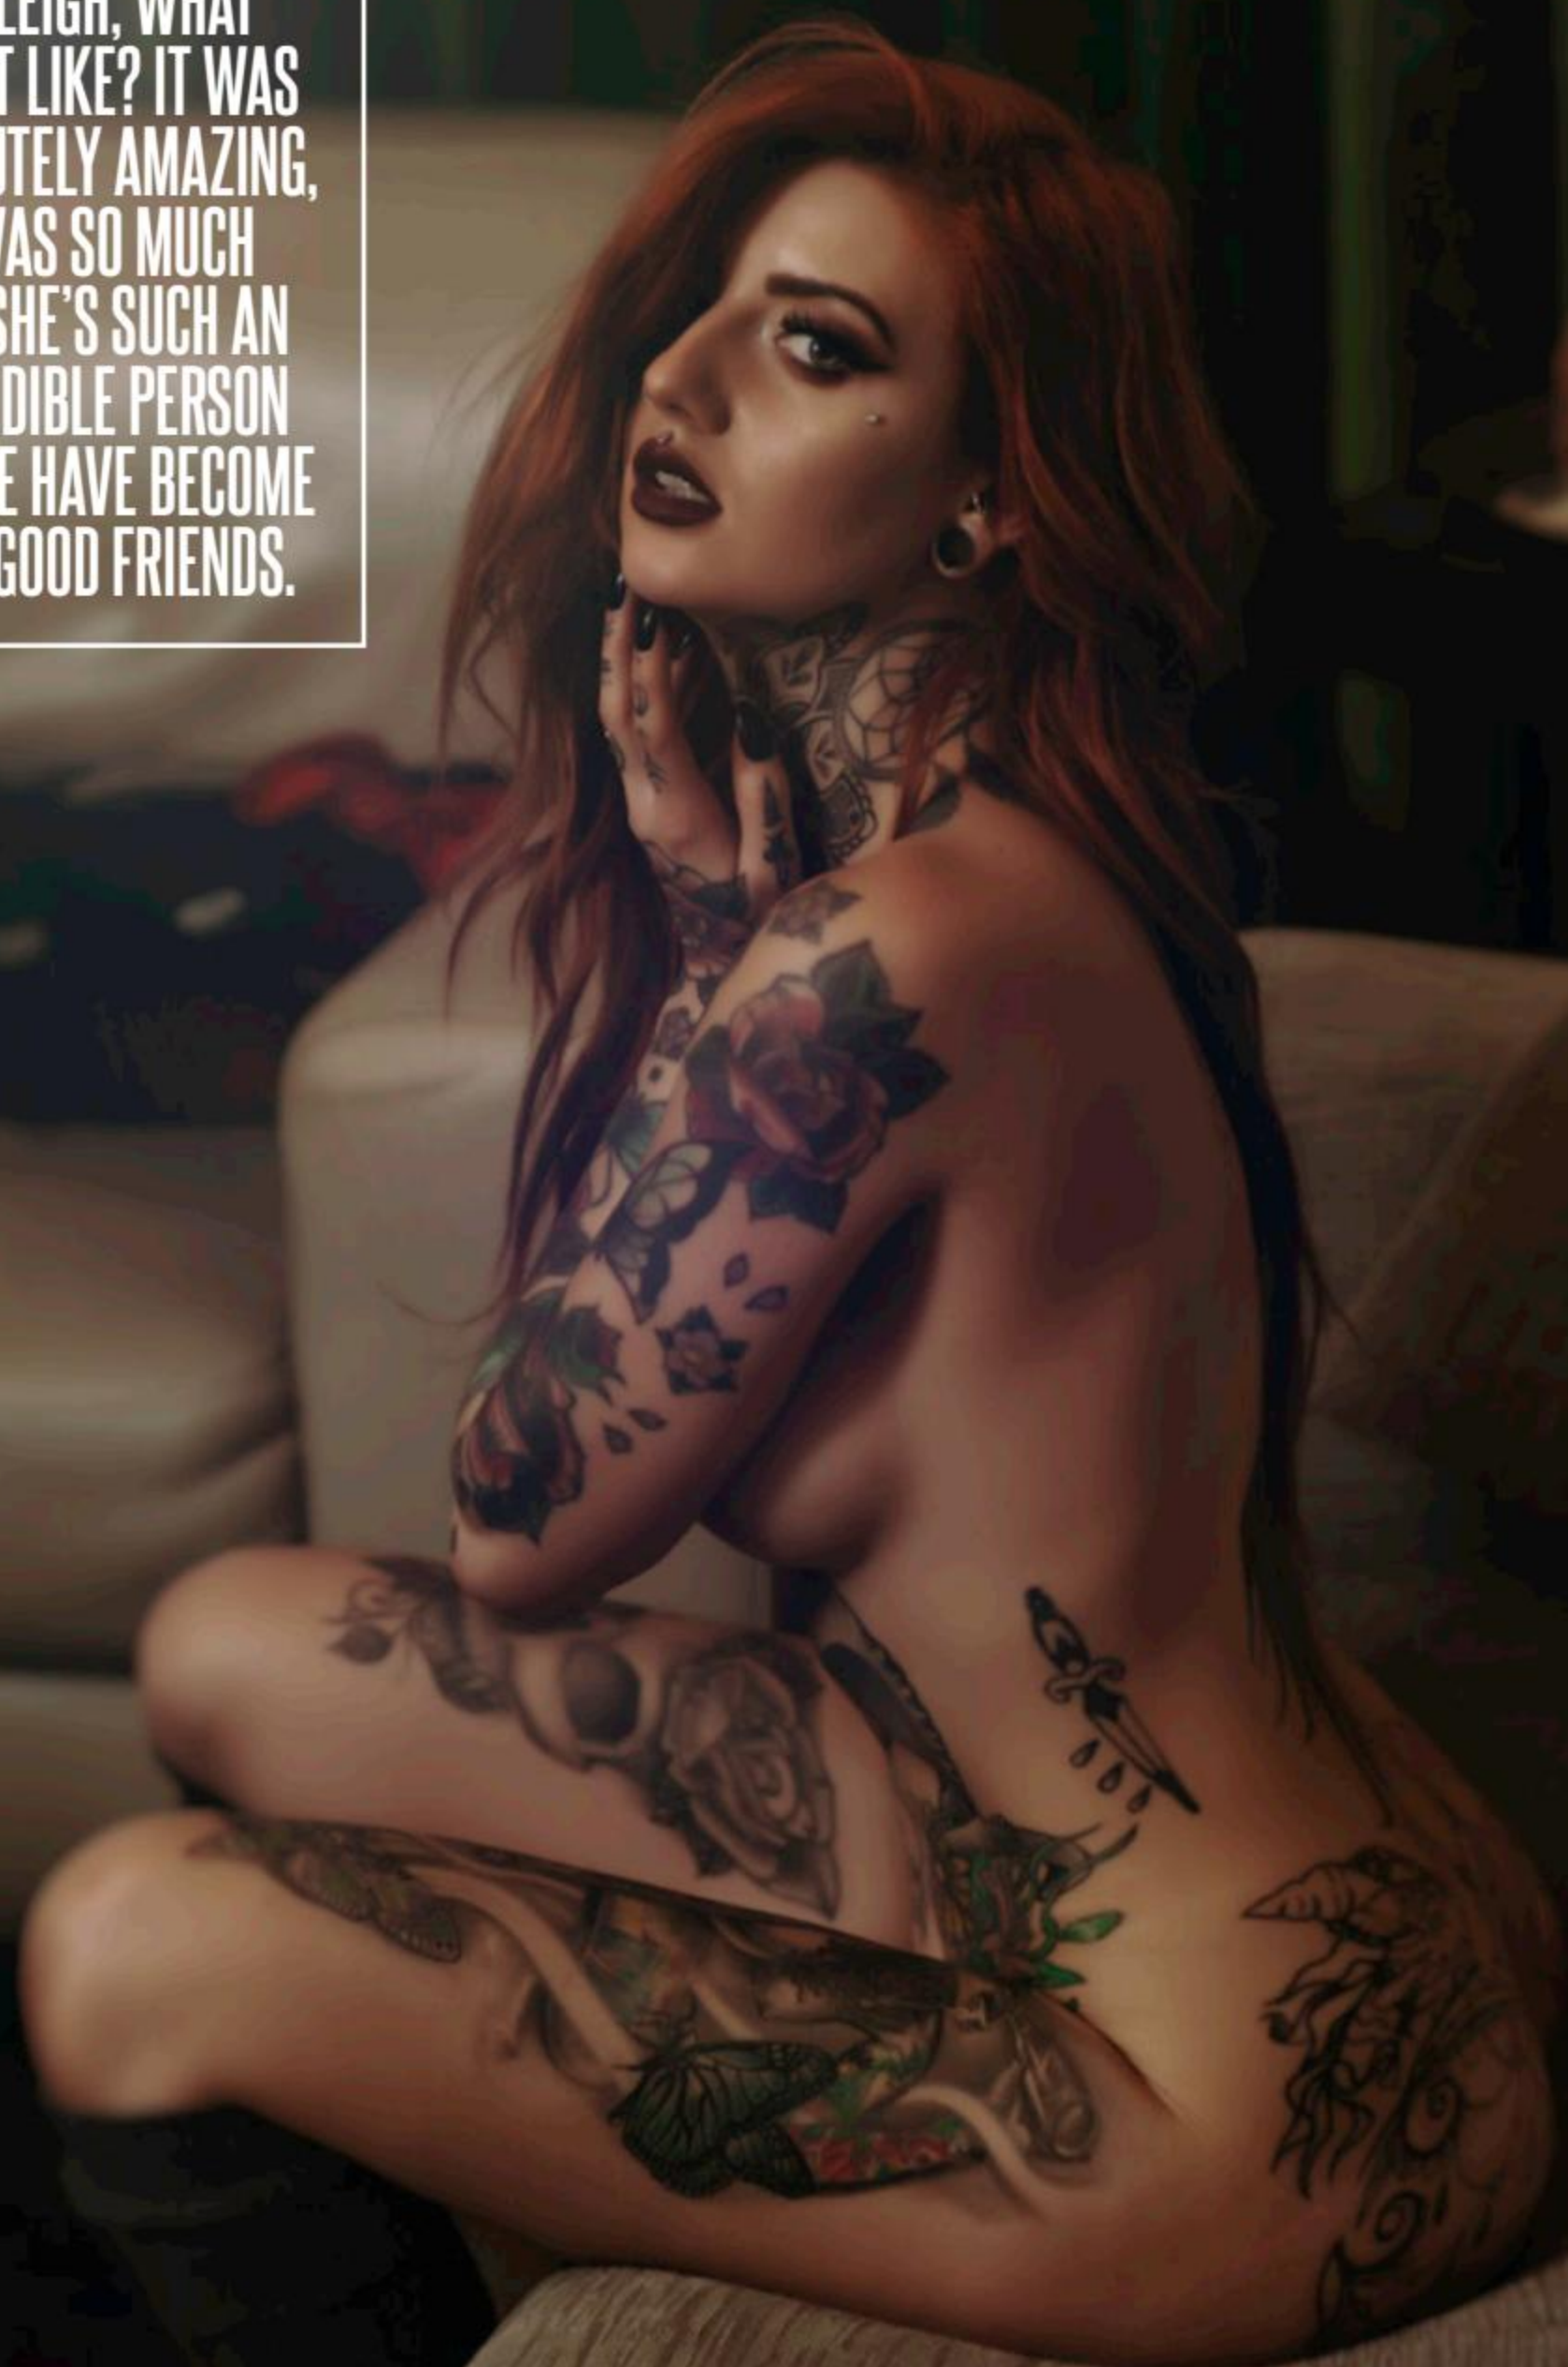

It's wonderful to have you featuring with us, did you enjoy the shoot? Thank you so much, I absolutely loved it! It's always fun shooting with Dark Moon.

Where are you from? Tell us a little about yourself: I'm from Cheltenham and I've been modelling for around 6 years now. I'm a very shy person until I get you know you, then my weird side comes out. I always talk too much and love to sing and dance to old emo songs while cooking, even though I'm the world's most terrible singer.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? I have kids, so they keep me very busy. I've been baking cakes a lot, and watching a lot of Disney movies, and rewatching RuPaul's Drag Race. I've also painted my house and shot some self shots for some awesome clothing brands.

SO YOU SHOT WITH
KAYLEIGH, WHAT
WAS IT LIKE? IT WAS
ABSOLUTELY AMAZING,
IT WAS SO MUCH
FUN. SHE'S SUCH AN
INCREDIBLE PERSON
AND WE HAVE BECOME
VERY GOOD FRIENDS.

What is your favourite thing about her? Absolutely everything! We spoke for a couple weeks before the shoot and got to know each other a bit. She's so funny, and kept making me laugh all the time and we worked together so well.

Thinking of positives: what are you must looking forward to when it's safe to get back to some normality? Seeing my family and friends and going to the beach. My birthday is coming up, and of course I had to cancel my plans, so once things go back to normal I'm getting tattooed, pierced and going to the zoo to see the bats and have a massive party!

If you could shoot with any model in the world, who would it be and why? This is a hard one! There is so many models I love and look up to, but if I had to choose it would be Becky Holt! Shes absolutely incredible.

What would you TV series would you most recommend to binge watch? RuPaul's Drag Race is my absolute favourite!! I've watched every season. I also just finished watching Dead to Me on Netflix, it's pretty good.

Tell us a random fact about yourself: Bats are my favourite animals.

What has made you smile the most during this pandemic? My husband, he's the funniest person I know. Every time I'm down he won't stop until I smile.

Photographer: Dark Moon Media

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? THANK YOU SO MUCH FOR HAVING ME! ALL I HAVE TO SAY IS... HANG IN THERE, THINGS WILL BE OK, STAY SAFE!

A photograph of two women with extensive tattoos embracing on a couch. The woman on the left has long, dark, wavy hair and is wearing a black top. The woman on the right has long, wavy red hair and is wearing a black top. Both women have large, colorful tattoos, including roses and butterflies on their arms and legs. They are sitting on a light-colored couch, and the background is a dimly lit room with a lamp.

Hey Kayleigh, thank you for giving us some of your time in this crazy world right now. How have you been doing? I've been doing good actually and I hope others are to in these times! I have my little dog Lou Lou keeping me company haha.

It's wonderful to have you featuring with us, did you enjoy the shoot? I always love working for you and shooting with Dark Moon, we produce epic images and have such a laugh in doing so!

Where are you from? Tell us a little about yourself:

I'm from the South of England, I'm 23 and a part time model, taxidermist and manager. A mother to a beautiful miniature Yorkshire terrier and love going on adventures with her!

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?

Seeing Luna again is one of the first on my lists haha and all my other friends. And definitely hitting the restaurants and pubs again!

If you could shoot with any model in the world, who would it be and why?

Now that's a hard question! I have so much love for so many models! But I would definitely love to shoot with Nikita Caslida because she's absolutely beautiful and we definitely have very similar taste in shoots and styles and think we would get some insane shots!

What TV series would you most recommend to binge watch?

The Witcher. I think I've watched it 5 times now and probably all for the wrong reasons haha.

Tell us a random fact about yourself:

I have 16 piercings.

What has made you smile the most during this pandemic?

Definitely my dog Lou Lou but also the amount everyone's come together and help support each other!

Photographer: Dark Moon Media

So you shot with Luna, what was it like? Amazing. We have been online friends for ages and have always been dying to work together! She's next level beautiful and we had so much fun and got amazing images! She's now one of my best friends!

What is your favourite thing about her? How cute and adorable she is, yet at the same time being the hottest little thing ever. She's so loving and generous to the people she knows and loves.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? A LOT of ethical taxidermy work, I make bone lamps, restore taxidermy and I bring back to life some poor animals from road accidents. Having a fair few passions and jobs has definitely helped me pass the time and keep busy! I also signed up to some smaller online courses!

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? Oh, just the same things as before... fast food, online deliveries for outfits to wear in the backyard, shooting, creating art, trip along to a desolated place.

It's wonderful to have you featuring with us, did you enjoy the shoot? Most definitely babe!

Where are you from? Tell us a little about yourself: Born in Hollywood baby! The entertainment industry couldn't engulf me faster! I was doing gymnastics by 9 and dance lessons started when I was 15. I'm a huge fan of food especially vegan food. The limits chefs go to imitate cheese is hilarious.

A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time? I LOVE THE OUTSOORS! I traveled to an isolated place by Lake Superior. It was beautiful, untouched with magnificent sunsets.

A close-up photograph of a woman lying on her back on a red surface. She has her eyes closed and a serene expression. She is wearing a black top and a long pearl necklace. Her neck and shoulder are adorned with several tattoos, including a large blue and black winged design and a script tattoo. Her hair is dark and voluminous.

TELL US A RANDOM FACT ABOUT YOURSELF: I'M EXTREMELY MANIC. WHEN I LIKE SOMETHING I LIKE IT A LOT. I WOULD OBSESS ON THAT ONE THING FOR DAYS.

Thinking of positives: what are you most looking forward to when it's safe to get back to some normality? Nothing. I stay home regardless, I've started taking my art seriously and I rather enjoy that. Wait, gym and dancing would be nice again.

If you could shoot with any model in the world, who would it be and why? THE LEGENDARY KAYLA Cadorna! She was always such a sweetheart and so fab all the fucking time. I adore that Cadorna.

What TV series would you most recommend to binge watch? Black Mirror and Russian Doll are my recent faves but I haven't watched films in a while.

What has made you smile the most during this pandemic? Everyone else acting a fool on tiktok. Like, baby you grown. Stop acting like a child that doesn't know how to dance.

IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? IT'S BEEN AN HONOUR TO FEATURE! HOPEFULLY BACK AGAIN, AND THANK YOU SO MUCH TO READ MY RATHER BORING LIFESTYLE. #THATCALILIFE MOVING AT A GLACIAL PACE
